Dear Robert,

[Montour County Hist.
Soc., March 1982]

I am sending you this article from the Historical Soc. because I thought there might be something in it of interest to you. We had a very nice dinner meeting last night and the woman who is getting material together about the Heisinger was very good.

Fred Rude's daughter Catherine, who is at the Heis. at the present time, went with me & she really enjoyed it. She will be there until May 12 - then goes back to Hershey. Cathy said Margaret called her the other night & told her she hopes to go out to Cleveland soon to visit Virginia's family.

Many thanks for all the articles you have sent me.

I was up home for Easter & we missed seeing you. It seems good to have the town clock working.

Best regards,

Gertrude
